Subject: Notification on news articles relating to the Company

To: The President  
The Stock Exchange of Thailand

A recent report in the media has stated that Infobahn Co., Ltd. (Infobahn) has filed a lawsuit against Shin Corporation Plc. (Shin), Shin's directors and Thaicom Plc. (the Company), claiming that Shin has breached an agreement to sell its stake in the Company to Infobahn.

The Company received the formal complaint on 19 May 2012 and promptly asked Shin for the fact of such complaint. Shin, therefore, elaborated that it still sees the Company as an essential asset for the group. Shin has not entered into any such agreement, and has no obligation to do so under the law. In order to explain the facts to the Court, the Company will join in the legal proceedings to defend its case in court.

Please be informed accordingly.

Yours faithfully,
