Thaicom donates set-top boxes to Umm Sabariah orphanages during Ramadan in Malaysia

Kuala Lumpur, 20 June 2016:- **Thaicom PLC**, a leading Asian satellite operator, donated set-top boxes and satellite dishes, along with iPad minis, to orphanages in Umm Sabariah, Baling Kedah. To celebrate the month of Ramadan 1437 H (2016), the company also provided Iftar, the evening breakfast meal, for children at the orphanages as an expression of gratitude to the Government and people of Malaysia for their unwavering support and trust in the company. The activities are parts of the Company's social responsibility initiatives to raise the overall quality of life for Malaysia's underprivileged.

Thaicom is a leading Asian satellite operator headquartered in Thailand. Since 2008, Thaicom has been providing satellite Internet service in Malaysia and has received constant support from the Government of Malaysia, especially the MIDA. Leveraging over 25 years of experience and its team of experts, Thaicom works to provide the Malaysian people with connectivity through reliable Internet access, a necessity in today's world. Thaicom is proud to offer the latest innovations and services in satellite communications to the Government and people of Malaysia while striving for sustainable development alongside Malaysian society.

About THAICOM

THAICOM Public Company Limited, a leading Asian satellite operator, was established in 1991. The Company was the first to launch a broadband satellite in the world, and is a leader in developing integrated solutions for satellite broadband and broadcast services. The Company's engineering teams provide leading-edge innovative solutions for satellite-based telecommunications services. Since its establishment the Company has launched seven satellites, with four satellites in operation: THAICOM 4 (IPSTAR) provides a variety of broadband and data services, including cellular backhaul, mobility, government USO support, content delivery, business continuity and emergency services in thirteen countries in Asia Pacific.

THAICOM 6 is to expand the Company's broadcast carrying capacity in SE Asia and Africa (by the name "AFRICOM 1") and is collocated with THAICOM 5 at 78.5 degrees East; the satellites board a combined 700 TV channels both in SD and HD formats. THAICOM 7 was launched in September 2014 to provide media & data services for Asia's and Australasia's entertainment and telecom industries at 120 degrees East. THAICOM 8 was launched in May 2016 to expand Thaicom's servicing capacity and footprint in the region. Thaicom is traded on the Stock Exchange of Thailand (SET) under the trade symbol "THCOM".
