Thaicom received Investor's Choice Award 2016

AGM assessment with 100 full score for the 4th consecutive years from TIA

Mr. Paron Israsena, Chairman of the Board of Directors at Thaicom PLC (second from right), accepted the prestigious "Investor's Choice 2016" award from **Dr. Chaipayat Wibulswasdi, Chairman at The Stock Exchange of Thailand** (first from left). Thaicom is a listed company that received a full score for 4 consecutive years (2013 – 2016). This is the third time Thaicom has received the "Investor's Choice" award, reflecting a spirit of commitment to its shareholders through excellent performance in its annual general meeting of shareholders (AGM), transparent disclosures to shareholders, and the equitable treatment of shareholders. Thaicom is honored to be recognized as an organization committed to operating under good governance to strengthen sustainable development in the Thai capital market. The event was held on 27 July 2016 at the Stock Exchange of Thailand and hosted through the Thai Investors Association.

###

Sustainable Development

In its 25th year, Thaicom is approaching sustainable development holistically to improve quality of life for all stakeholders and continue to grow as a leading Asian satellite operator. Thaicom aims to create value alongside society by providing connectivity, innovation, and responsible services under the guiding principles of corporate governance. Such efforts not only cover the

quality satellite equipment, technology, and signal, but also extend to the development of expert personnel. In addition to preparing to support the growth of the Digital Economy, Thaicom looks after society and the environment, particularly in the area of education. Believing that a strong education system is the foundation for a strong nation, Thaicom leverages satellite technology to deliver distance learning to communities across Thailand through "Thai Kids Thaicom". Thaicom also works to provide reliable communications services following disasters to ensure aid and recovery efforts can effectively reach disaster victims in areas throughout Asia-Pacific.
