Thaicom recognized for ongoing contributions to Thailand's naval operations

Paiboon Panuwattanawong, CEO of Thaicom PLC, accepts a Sahattaya Naval Insignia and accompanying certificate from **Admiral Na Arenij, Commander-in-Chief of the Royal Thai Navy**, in recognition of Thaicom's contributions to the nation and the Thai people through ongoing technical support for naval operations. The ceremony was held on 27 September 2016 at the Royal Navy Convention Hall.

Thaicom supports the Royal Thai Navy's operations by providing innovative satellite technology to improve communications capabilities. Through Thaicom's SATCOM on the Move, sailors and other Navy personnel aboard the HTMS Krabi and the HTMS Chakri Naruebet have continuous access to modern communications as they carry out their duties at sea.

###

Sustainable Development

In its 25th year, Thaicom is approaching sustainable development holistically to improve quality of life for all stakeholders and continue to grow as a leading Asian satellite operator. Thaicom aims to create value alongside society by providing connectivity, innovation, and responsible services under the guiding principles of corporate governance. Such efforts not only cover the quality satellite equipment, technology, and signal, but also extend to the development of expert personnel. In addition to preparing to support the growth of the Digital Economy, Thaicom looks after society and the environment, particularly in the

area of education. Believing that a strong education system is the foundation for a strong nation, Thaicom leverages satellite technology to deliver distance learning to communities across Thailand through "Thai Kids Thaicom". Thaicom also works to provide reliable communications services following disasters to ensure aid and recovery efforts can effectively reach disaster victims in areas throughout Asia-Pacific.
