Thaicom provides continued support for distance learning via satellite

Thaicom PLC, led by **Mr. Teerayuth Boonchote, Acting Chief Technical Officer**, presented **Mr. Anusorn Foocharoen, secretary of the Thai Distance Learning Foundation (DLF)** with a donation to help fund the foundation's work of making educational opportunities accessible to people throughout Thailand. Thaicom continually supports the foundation's project to provide distance learning via satellite under His Majesty King Bhumibol Adulyadej's initiative to provide children, youth, and all Thai people with equal access to educational opportunities. The Event was held on October 5, 2017 at the DLF's office at Ministry of Education.

Sustainable Development

In its 25th year, Thaicom is approaching sustainable development holistically to improve quality of life for all stakeholders and continue to grow as a leading Asian satellite operator. Thaicom aims to create value alongside society by providing connectivity, innovation, and responsible services under the guiding principles of corporate governance. Such efforts not only cover the quality satellite equipment, technology, and signal, but also extend to the development of expert personnel. In addition to preparing to support the growth of the Digital Economy, Thaicom looks after society and the environment, particularly in the area of education. Believing that a strong education system is the foundation for a strong nation, Thaicom leverages satellite technology to deliver distance learning to communities across Thailand through "Thai Kids Thaicom". Thaicom also works to provide reliable communications services following disasters to ensure aid and recovery efforts can effectively reach disaster victims in areas throughout Asia-Pacific.
