**Thaicom, Royal Thai Navy and Top Engineering  
Taking a step towards 'UAV'  
Expanding the Exploration in the Gulf of Thailand**

**Thaicom Public Company Limited**, led by CEO **Anant Kaewruamvongs**, together with **Admiral Pichet Tanaset, Chief of Staff (COS), RTN Royal Thai Navy** and **Kornnarong Tungfung, Managing Director of TOP Engineering Corporation Co., Ltd.** has officially presided over the Memorandum of Understanding Signing Ceremony (MOU) on the Development of "Command, Control and Communication of Unmanned Aerial Vehicles (UAV) in the Gulf of Thailand". The main purpose of this MOU is to establish mutual collaboration on the UAV research, knowledge sharing and initiative in all up-to-date innovation in order to enhance and expand the limitation of UAV operations by using the satellite capability.

The MOU was signed by the authorized representatives of the Participants; **Dr. Supoj Chinveeraphan, Chief Strategy Officer of Thaicom Plc.**, and **Rear Admiral Korkiart Pundee Director General Naval Research and Development Office**, as well as **Kornnarong Tungfung, Managing Director of TOP Engineering Corporation Co., Ltd.** The signing ceremony recently took place at Thaicom Satellite Station witnessed by many invited guests such as key stakeholders from Thaicom, Royal Thai Navy, and Top Engineering representatives.
