26 February 2020

Subject: Notification Regarding the De-orbit of Thaicom 5 Satellite

To: The President
The Stock Exchange of Thailand

According to the notification that we, Thaicom Public Company Limited (the “Company”), notified to the Stock Exchange of Thailand dated 18 December 2019, 16 January 2020 and 11 February 2020 regarding the Technical Incident on Thaicom 5 Satellite and the specialist has made the recommendation that the Thaicom 5 Satellite shall be de-orbited because of the unsuccessful restoration after several attempts to restore the system.

After the last attempt to restore the system on 23 February 2020 and the system still could not be restored, it was, therefore, indispensable for the Company to de-orbit the Thaicom 5 Satellite. The de-orbit of the Thaicom 5 Satellite was successfully done at 4.52 p.m. of 26 February 2020. The Company recognized full impairment of the remaining book value of the Thaicom 5 Satellite of Baht 222 million in the financial statement for the year ended 31 December 2019.

Regarding the customers of the Thaicom 5 Satellite, The Company has already cooperated and migrated the customers out of the Thaicom 5 Satellite according to the plan submitted to the Ministry of Digital Economy and Society and Office of the National Broadcasting and Telecommunications Commission.

Yours sincerely,

-Signed-

(Mr. Salil Charuchinda)
Head of Legal and Compliance Department
